Subject: Food Grade Statement

January, 2024

To: All Domino Foods, Inc. Valued Customers:

In response to customer inquiries regarding the regulatory status of the white granulated sugars manufactured in the United States and distributed by Domino Foods, Inc., please be advised that these products are specifically listed in both the FCC (Food Chemicals Codex) and the Code of Federal Regulations, 21 CFR Part 184 "Direct Food Substances Affirmed as Generally Regarded as Safe." These products are manufactured solely as a food for direct human consumption or further processing and are both food grade and safe for human consumption.

Other cane based refined sugar products, raw cane sugar and organic sugar products distributed by Domino Foods, Inc. may not be specifically identified in either the Codex or the CFR. All of these products, with the exception of some blackstrap molasses and brown sugar run-off products, are produced solely for human consumption and are fit for human consumption.

All rice, rice flour, barley malt extract, invert sugar, brown rice and tapioca syrup, fondants, sugarcane molasses, honey, brown sugar syrup, flavor & texture modifiers, co-crystallized, high intensity sweeteners, agave nectar syrups and stevia products are manufactured solely for human consumption. These products may be listed or referenced in 21 CFR Subchapter B as "Food for Human Consumption".

We trust this information is sufficient. Should you require additional information, please feel free to contact us at QualityDocs-NA@asr-group.com.

Sincerely,
Domino Foods, Inc. / ASR Group
